SAILING CAMP PACKING LIST

Please read carefully to ensure you are prepared for a great week at camp!

- **Parents:** make sure that your camper brings all of the items listed below. Clothes should be able to take a lot of wear and tear. Do not send clothes or other items that would cause grief if they are lost or damaged!
- **Label all belongings with your first and last name.** Lost & Found items will be kept for 3 weeks only. Found items will be returned if requested at your expense.
- **It is important to pack light.** Each camper will be required to carry all of their own gear on and off the boat, and row to and from shore. Please do not bring a new pair of clothes for each day. Make sure that everything is packed in plastic bags inside your pack or duffel bag so that everything is waterproof! There is lots of water around the boats, and rain can quickly soak your bags.

Essentials for SAILING CAMPS
